

# Frame - Rebated

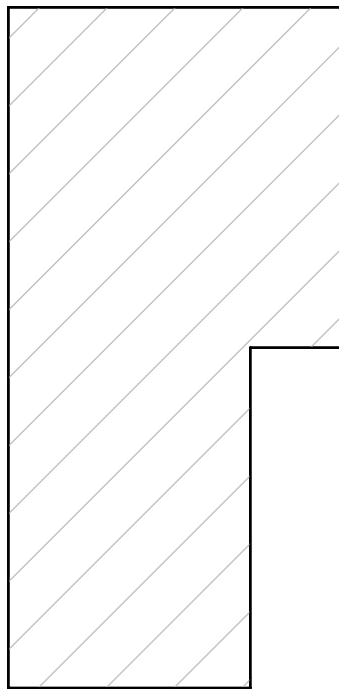

(Non-rating, FD30, FD60)

Specific timber used and dimensions can vary depending on what fire rating may be required which is based on density and suitability of timber. Please let us know what timbers you are looking to use and we will advise you if this is possible to ensure compliancy.

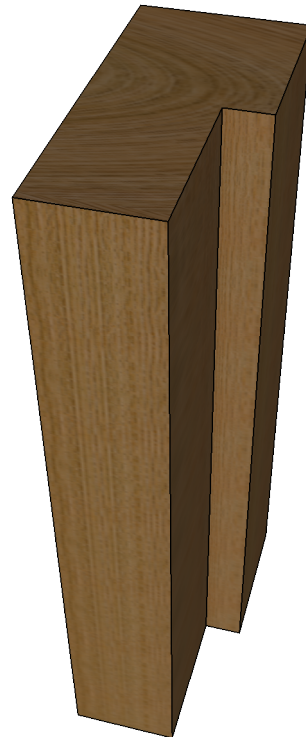

Timber options: Tulipwood, Sapele, American Oak, European Oak, American Maple, American Cherry, American Black Walnut, or Ash. For other timbers please call to discuss.

Finish: Primed, stained, lacquered or oiled. If required we can also supply "clean" for onsite french polishing/finishing.

Category: Frame

Scale: 1:1 @ A4
